

Approximately 85% of all skin cancer originates in the head and neck region and incidence is rapidly increasing. Most skin cancer is diagnosed and treated by family practitioners and dermatologists. In case of more complex skin cancer also other medical specialists participate in a multidisciplinary approach.

This symposium deals with the process of diagnosis and treatment of primary skin cancer and its regional metastases. Also local flap physiology and planning is discussed as well as proper reconstructive flap selection and techniques for more complex skin cancer defects.

The symposium concerns a one day intensive course with compact information on head and neck skin cancer and reconstruction for residents and specialists working in the field of dermatology, otolaryngology, maxillofacial surgery, plastic surgery, and general surgery.

We hope you will be able to join us at our meeting in the beautiful city of Zagreb, Croatia.

#### COLLABORATION

This course was organized by:

- Department of Otorhinolaryngology/Head and Neck Surgery, University Hospital Sveti Duh
- Clinic for Ophthalmology, University Hospital Sveti Duh
- Clinic for Dermatology and Venereal Diseases, University Hospital Centar Sestre Milosrdnice

#### FEATURES

- Target audience concerns professionals frequently dealing with skin cancer; both specialists and residents
- The course discusses:
  - the biological behavior of common and rare skin cancers
  - local and regional treatment options
  - reconstruction of skin cancer defects per anatomical site
- Lectures of 12 minutes containing pearls in a string like manner
- All lectures by highly experienced specialists
- Limited overlap
- Part of the course is reserved for discussions of specific cases with participant interaction

#### FACULTY

Peter J.F.M. Lohuis, MD PhD  
Otorhinolaryngologist/Head Neck Surgeon  
Diakonessen Hospital, Utrecht  
Netherlands Cancer Institute, Amsterdam

Hade Vuyk, MD PhD  
Otorhinolaryngologist  
Private Practice Vuyk Medical Centre, Blaricum

Ass. Prof. Boris Šimunjak, MD PhD  
Otorhinolaryngologist/Head Neck Surgeon  
University Hospital Sveti Duh, Zagreb

Boris Filipović, MD PhD  
Otorhinolaryngologist/Head and Neck Surgeon  
University Hospital Sveti Duh, Zagreb

Prof. Mirna Šitum, MD PhD  
Dermatologist, Dermato-oncologist  
University Hospital Centar Sestre Milosrdnice, Zagreb

Ass. Prof. Marija Buljan, MD PhD  
Dermatologist, Dermato-oncologist  
University Hospital Centar Sestre Milosrdnice, Zagreb

Prof. Biljana Kuzmanović, MD PhD  
Ophthalmologist  
University Eye Clinic, Faculty of Medicine  
University Josip, Juraj Strossmayer in Osijek,  
University Hospital "Sveti Duh", Zagreb

Prim. Sanja Poduje, MD  
Dermatologist, Dermato-oncologist  
University Hospital Centar Sestre Milosrdnice, Zagreb

Maya Kovacević, MD  
Dermatologist  
University Hospital Centar Sestre Milosrdnice, Zagreb

Prof. Ivica Lukšić, MD PhD  
Maxillofacial Surgeon  
Clinic for maxillofacial surgery, Clinical Hospital Dubrava

#### GUEST LECTURE

Martin W.C. Klop, MD PhD  
Otorhinolaryngologist/Head Neck Surgeon  
Netherlands Cancer Institute, Amsterdam

Abraham Al-Mamgani, MD PhD  
Radiotherapist  
Netherlands Cancer Institute, Amsterdam

ONE DAY INTENSIVE COURSE  
ON TREATMENT AND  
RECONSTRUCTION OF HEAD  
AND NECK SKIN CANCER

MAY 9, 2019  
ZAGREB - CROATIA

## WELCOME TO ZAGREB

Zagreb is a beautiful, happy, cultural and artistic city. In 2017 it was chosen by The Lonely Planet as "The best destination in Europe". The cosmopolitan buzz of Zagreb will strike you, although the old Upper Town has not lost an ounce of its medieval charm. Zagreb is special and everything is accessible on foot.

Zagreb also has a vibrant night-life hosting many restaurants, clubs and bars. The center of the city is closely connected to a

new modern airport that was recently opened, making the city easily reachable from many other European cities. Around Zagreb you can find spa facilities, biking routes, parks, mountains, wine farms, and peaceful woodlands. The Croatian coastline is just 2 hours away and famous for its beaches, sailing and warm summers.

## HOTEL DUBROVNIK

The course venue is in Hotel Dubrovnik, which is an exceptional five star hotel in the center of Zagreb.

It serves a wide choice of room types and rates, but its 220 rooms each have an authentic atmosphere.

The hotel offers modern comfort and an enjoyable price-quality ratio.

## PROGRAM SATURDAY MAY 9, 2019

07.30 - 08.15

### Registration and Coffee

08.15 - 08.30

Etiology and epidemiology of skin cancer in Europe and Croatia

Šitum

08.30 - 08.45

Biological behavior of BCC and SCC and its alternative treatments

Kovacević

08.45 - 09.00

Pattern of regional metastases: diagnosis of parotid gland and neck

Lohuis

09.00 - 09.15

Relevant head and neck anatomy for excision

Šimunjak

09.15 - 09.30

Specific anatomical sites: external ear canal, vestibulum nasi and lip

Lohuis

### Guest of honor lecture 1

09.30 - 10.00

Melanoma and Merkel cell carcinoma: state of the art anno dei 2019

Klop

10.00 - 10.30

### Coffee Break

10.30 - 10.45

Dermatoscopy of pigmented lesions

Poduje

10.45 - 11.00

Dermatoscopy of non-pigmented lesions

Buljan

11.00 - 11.15

Mohs' micrographic surgery in Croatia?

Lohuis

11.15 - 11.30

Primary closure, secondary granulation and skin grafts

Filipović

11.30 - 11.45

Treatment of regional metastases in head and neck skin cancer

Ivica Lukšić

11.45 - 12.00

Principles of transposition, rotation and advancement

Vuyk

### Guest of honor lecture 2

12.00 - 12.30

Guidelines primary and adjuvant radiotherapy for head neck skin cancer

Al-Mamgani

12.30 - 13.30

### Lunch

13.30 - 13.45

Reconstruction of the periorbital region

Kuzmanović Elabjjer

13.45 - 14.00

Reconstruction of the nose

Lohuis

14.00 - 14.15

Reconstruction of the scalp, forehead and temple

Vuyk

14.15 - 14.30

Reconstruction of the lip and cheek

Lohuis

14.30 - 14.45

Reconstruction of the ear

Vuyk

14.45 - 15.00

Reconstruction of major skin cancer defects with free flaps

Lohuis

15.00 - 15.30

### Coffee Break

15.30 - 16.30

Quiz and discussion of cases with participation of the audience

All teachers

16.30 - 17.00

Drinks and certificates

## COURSE DIRECTORS

Peter J.F.M. Lohuis, MD PhD

Boris Filipović, MD PhD
