## WELCOME TO ZAGREB

Zagreb is a beautiful, happy, cultural and artistic city. In 2017 it was chosen by The Lonely Planet as "The best destination in Europe". The cosmopolitan buzz of Zagreb will strike you, although the old Upper Town has not lost an ounce of its medieval charm. Zagreb is special and every thing is accessible on foot.

Zagreb also has a vibrant nightlife hosting many restaurants, clubs and bars.

The center of the city is closely connected to a new modern airport that was recently opened, making the city easily reachable from many other European cities.

Around Zagreb you can find spa facilities, biking routes, parks, mountains, wine farms, and peaceful woodlands. The Croatian coastline is just 2 hours away and famous for its beaches, sailing and warm summers.
